CODE HAS NO GENDER.

INTRO TO OPENSOURCE & VIRTUAL REALITY MOZILLA

The background of the slide is a digital landscape. The foreground is a blue wireframe grid that recedes into the distance. In the middle ground, there is a city skyline with several skyscrapers, some of which are illuminated with a warm orange glow. The sky is a deep purple, and a large, glowing purple sphere, resembling a planet or moon, is positioned in the upper right quadrant. The overall aesthetic is futuristic and digital.

DIVE INTO **VIRTUAL REALITY**,
A TECH FROM THE FUTURE
